Numeracy

Counting from one with Materials

I am learning these key pieces of number knowledge…

Know all the numerals 0-20

Quickly recall addition facts within 5 eg 2+1, 3+2

Can put numbers from 0-20 in order

Describe halves in words orally or written always in reference to the whole

Quickly recall subtraction facts to 5 eg. 4-2

Make groupings of 5 e.g

● ● ●   ● ● ●   ● ●   ● ● ●   ● ●

3 plus 1 plus 1 is the same as 5

Make groupings within 5 e.g Groupings of 2, groupings of 3, and 4

Say the numbers between the numbers to 20. E.g. the number between 15 and 17 is 16

Say the numbers backwards from 20 – 0

Can record counting and problem solving using pictures and diagrams

Say what doubles are to 10 e.g. 1+1, 2+2, 3+3 … etc.
