Update Notice, 5 July 2018

## Thank you, Good Shepherd Community

Last week we spoke about 'building community' in the fortnightly newsletter. Since then two events have happened that need to be especially acknowledged. The first is the Holy Fathers working bee - these are always special events when our dads in particular get jobs done to improve our school environment, and get to know each other better in the process. In this case they spent two Saturdays in a row building the retaining wall that will keep all the mud off our all-weather turf...and it was hard work! Thank you on behalf of the children and the rest of the community for the great job you have done!

Secondly, our children making their First Holy Communion has once again brought our whole Good Shepherd family together. Your attendance at the 2pm Mass on Sunday was a great support to them and their families, and to the families new to Good Shepherd School who were welcomed at the Mass. The families of children who went through the Sacramental programme last year did a wonderful job of providing and serving afternoon tea for the whole community. Thank you all for your generosity and loyalty to the Good Shepherd school and parish community.

## Chickenpox

We are currently experiencing an outbreak of chickenpox at the school. Information can be found on the Kids Health website <https://www.kidshealth.org.nz/chickenpox>, including the following key points:

- chickenpox is a common childhood illness caused by a virus
- it is very easy to catch
- most cases of chickenpox are mild and children get better completely
- your child needs to see a doctor if they have a very high fever or are very ill, particularly if they become very drowsy, or are breathing fast or vomiting a lot
- children with chickenpox need to stay home from school and daycare
- chickenpox can sometimes cause serious complications
- children can now have free chickenpox immunisation

## Sir Peter Blake Award

During Monday morning prayers this week we gave out many merit awards for students displaying the GSS values and a positive attitude towards their learning, but we also had a special award presented to Setaita Likiliki to recognise her leadership qualities with a Sir Peter Blake Young Leader Award.

These awards acknowledge young people whose outstanding leadership uplifts the school community, and who display the qualities of inclusiveness, positivity, humility, humour and a team approach which were all shown by Sir Peter Blake himself.

Setaita displays leadership around Good Shepherd in many ways; she quietly always puts others before herself, supports younger students through their sport and anyone in need and is consistently responsible and trustworthy.

Setaita was presented with her medal by representatives of Westpac on behalf of the Sir Peter Blake Trust.

## PLASTIC FREE JULY

It's PLASTIC FREE JULY and the Environment team are supporting the school with a fundraiser from EarthMama.nz and encouraging you all to think about how we can make a difference/change habits around plastic usage.

Over the holidays have a good look at the EarthMama website, and think about some pledges you and your families might make. For instance

1. Only use re-useable shopping bags from now on
2. Stop using plastic straws
3. Keep cups for coffee and re-usable drink bottles for water
4. Replace cling film with food wraps or food covers

To help the kids understand the impact of plastic take a trip to the beach, tidy up any plastic rubbish, bring it home and keep it in a bin to observe what happens and how it weathers, do some searching on plastic impacts (e.g. The Story of Stuff has some great short videos) or watch Blue Planet by David Attenborough.

Some interesting facts from Miracle and Frankie (our Eco-Crusaders) as food for thought:

1. It takes 450 years for plastic to break down
2. If we carry on using and discarding plastic at our current rate by 2050 there will be more plastic in the ocean than fish
3. When plastic breaks down it only breaks up into tinier and tinier particles, which the fish eat and then ultimately we may eat as part of the food chain – ugh!

There are posters all around the school and the fundraiser is posted on GSS PTA Facebook. Please post any handy tips there for us all to share.

## From the PTA

### Grandparents Mass

Please mark your diaries for one of our happiest events of the year: Grandparents Mass. This year it will be held on Friday 24 August. For those you who are new to the school, it is a special mass for children, families and especially grandparents followed by lunch for grandparents, children and families on the school field. It all takes place in the usual school day.

The PTA will be selling sandwiches, baking and sausages for you all to purchase on the day. To make it the best day ever we need your help. We need all families to bake for the day. We love slices, biscuits, muffins or scones (no cakes please).

AND we need volunteers on the day, from 9am in the morning to help set up, then during lunchtime to sell all of the goodies, and afterwards to clean up. It's a team effort and we need your help!

Please email Nikki Flexman on [nikkiflexman@gmail.com](mailto:nikkiflexman@gmail.com) if you can volunteer to help on the day or for part of the day.

### Quiz Night

As always, feel free to get in contact any time, [digitalbugsy@gmail.com](mailto:digitalbugsy@gmail.com)
