Can You Help with Sponsorship or Prizes?

We're also on the lookout for sponsors and prize donations. Do you work for a business that could support us—big or small?

When you provide a prize or sponsorship, we'll make sure you get the exposure you deserve. Our fair reaches beyond just the school community, with local promotion, community boards, and a strong visitor turnout.

Other Ways to Help:

There are plenty of other ways to get involved, from running a stall to helping with setup, pack-down, or behind the scenes. Every role makes a difference.

If you're keen to get involved, now's the time! Let us know how you'd like to help and be part of making this a fantastic fair.

GET THINKING?

We have fantastic stalls and activities at our fair but we are always on the lookout for new ideas. If you've seen something awesome at another school fair or have a totally unique idea that we could introduce at this year's fair, please let us know! The best ideas are the ones that use the skills and resources of our school community. This helps to ensure that the money we raise goes back into supporting the school.
