Holey Father's Working Bee

Thank you to everyone who came along last Saturday for the Holey Father's working bee. Our gardens are looking fantastic. A lot of planting was done, so it's important that we allow these plants to thrive and stay undisturbed. We would appreciate it if everyone could stay off the gardens, especially the garden by the tennis courts.

Thank you again to all our wonderful volunteers.

Safety on our playground

The Good Shepherd students love playing on our school playgrounds which is fantastic, however, it is important that they are supervised when playing on them. During school time we have staff on duty watching the students playing and ensuring that they are safe. If you and your family are here outside of school hours it is important that your children are supervised if they are playing in the school grounds. We thank you for your ongoing commitment to keeping our community safe.
